

# 73rd Annual Golden Globes Twitter Analysis

Boying Gong, Jianglong Huang, Peter Sujan, Shamindra  
Shrotriya, Tomofumi Ogawa

February 8, 2016

# R Markdown

This is an R Markdown presentation. Markdown is a simple formatting syntax for authoring HTML, PDF, and MS Word documents. For more details on using R Markdown see <http://rmarkdown.rstudio.com>.

When you click the **Knit** button a document will be generated that includes both content as well as the output of any embedded R code chunks within the document.
